CAREER OBJECTIVE

A highly motivated Computer Science student looking for an internship or co-op role in software development. Eager to contribute technical skills in web and mobile development, and to gain professional experience while continuously learning and improving.

LANGUAGE

- Thai (Native)
- English (Basic)

SKILLS

Soft Skills

- Communication Skills
- Teamwork Skills
- Problem-Solving Skills
- Adaptability
- Time Management

Technical Skills

- Languages
  - Python, Java, JavaScript, Dart
- Framework
  - React.js ,Node.js ,Next.js, flutter
- Database
  - MongoDB, MySQL,
- Tools
  - VS Code, Postman, Git, Github, Docker ,Prisma

EDUCATION

Rangsit University
Bachelor of Computer Science
- 2022-2025

Ayutthaya Technological Commercial College
Information Technology
- 2018-2021

WORKING EXPERIENCE

TOT Public Company Limited
- Apprenticeship as an IT support

Java Coding Tutorship
- Assisted in tutoring session, focusing on java fundamentals and problem-solving techniques.

PROJECTS

Mobile Application - Movie Review App
- Develop application using Dart and Flutter that can use basic CRUD and API

Website - Basic Website
- Develop static Website using Next.js and MongoDB to show information

BASIC PROJECT
- Build a Basic Java project to improve basic skill, input, logic and etc.

ACADEMIC SYSTEM

RSU operated on a 12-week trimester system from the May 1999 term to the January 2000 term. Prior to and after that date most RSU programs were on a semester system (two 15-week terms and a 6-week summer session). Students who entered RSU under the trimester system would continue to earn credits in trimester credit hours until the end of the program. To convert semester credit hours to trimester credit hours, multiply semester credit hours by 5/4. To convert trimester crsedit hours to semester credit hours, multiply trimester credit hours by 4/5.

GRADING SYSTEM

Grade	Description	Grade Points per Credit Hour
A	Excellent	4.0
B+	Very Good	3.5
B	Good	3.0
C+	Fairly Good	2.5
C	Fair	2.0
D+	Poor	1.5
D	Minimum Passing	1.0
F	Failure	0.0

Grades which are viable, but do not affect GPA calculation :

I	=	Incomplete	IP	=	In-Progress
W	=	Withdrawn	CP	=	Credits from portfolio
AU	=	Audit	CS	=	Credits from standardized test
S	=	Satisfactory	CE	=	Credits from exam
U	=	Unsatisfactory	CT	=	Credits from training

ABBREVIATION

ERN	=	Credit Hours Earned	-	Number of credit hours actually earned based on grades and / or evaluations of A, B+, B, C+, C, D+, D and S. Credit hours earned will also include transsfer credits in the eterm in which the credit is awarded.
ATT	=	Credit Hours Attempted	-	Number of credit hours attempted basedon those applied to wards the GPA.
TGP	=	Total Grade Points	-	Grade points that are awarded based upon the grade received times the number of credit hours that each course is worth.
GPA	=	Grade Point Average	-	Total grade points divided by credit hours attempted.

Repeating Courses

For undergraduate students who repeat courses, only the most recently earned letter grades and grade points will be computed in the grade-point average.

For graduate students, all courses in which a letter grade is given, including repeated courses, will be use in computing the grade-point average.
